

McKinney Falls State Park

Water Heroes: Every Drop Counts!

Think about all the ways water is important here. Write down or draw your ideas below:

For the plants

For the animals

For the visitors

Imagine if there wasn't enough water in Onion Creek and the park. What do you think might happen to:

The plants?

The animals?

Us being able to enjoy
the park?

Think about things we can do to use less water. Write down at least three ideas:

Here at McKinney Falls

At home

At school

McKinney Falls State Park

Water Heroes: Every Drop Counts!

Look around you. Can you see any examples of how water is being used wisely (conserved) or maybe not so wisely here at the park?

Wise Water Use Example:

Not-So-Wise Water Use Example

Draw a picture of yourself as a Water Hero helping to conserve water at McKinney Falls!
